The Executive Master's degree in Clinical Quality, Safety & Leadership provides students with a working knowledge of the history and fundamentals of patient safety and quality, implementation science, human factors, the importance of psychological safety and the creation of a just culture, and how leadership drives change in the complex healthcare environment.

Academic Policies

The academic policies and procedures of the Clinical Quality, Safety & Leadership program are those specified in the Georgetown University Bulletin (<http://coursecatalog.georgetown.edu/academics/academic-regulations/graduate-regulations/>), (<http://coursecatalog.georgetown.edu/academics/academic-regulations/graduate-regulations/>) in the SOH Graduate Student Handbook (<https://docs.google.com/document/d/14qxvTpMRA4MWQn-QnPzWZVdVriWPavWWhd7vT2NMvfU/edit?tab=t.0>), and in the Program Handbook.

Requirements

To earn the Executive Master's degree in Clinical Quality, Safety & Leadership, students must take 32 credits, including 20 credits of required courses, 8 credits of elective courses, and 4 credits of capstone courses.
