Requirements for the Minor

The philosophy minor requires six courses in philosophy:

1. The two courses that fulfill the university Core requirement
2. Four additional courses, three of which must be at the 3000-level or above.

A maximum of two philosophy courses taken abroad or outside of Georgetown may be counted toward the minor. Any philosophy minor planning to take philosophy courses as part of a study abroad program should consult with the Director of Undergraduate Studies to determine how their proposed courses will fit into the minor.
