

# Psychology Minor

---

## Requirements

### Requirements for the Minor

The requirements are PSYC 1000 General Psychology, three foundational courses (two from Area A and one from Area B ([https://psychology.georgetown.edu/undergraduate/handbook#areas\\_of\\_study](https://psychology.georgetown.edu/undergraduate/handbook#areas_of_study))), and two courses from the combined offerings of foundational, seminar, and elective courses (a minimum of six courses). Further advice on developing a program of study is contained in the Handbook for Psychology Majors and Minors available online at [https://psychology.georgetown.edu/undergraduate/handbook#Areas\\_of\\_study](https://psychology.georgetown.edu/undergraduate/handbook#Areas_of_study) (<https://psychology.georgetown.edu/undergraduate/>).
